

## Roll Label Specs

### Fitting

---

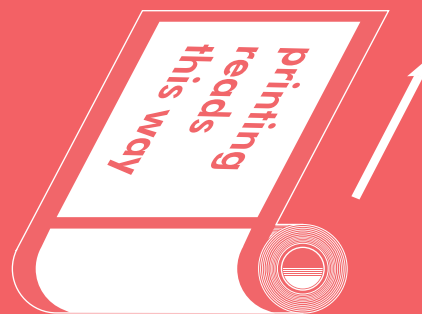

The customer is responsible to ENSURE that custom label SIZING will FIT properly on the bottle's flat surface area - if customer provides custom bottle, round bottles work with our labeling system, if by chance you have another bottle shape i.e., Tottle, please contact us for labeling solutions \* PLEASE ask FIRST, if unsure about measurements of label for correct/best bottle fit, or anything "labels".

Phone 778 455 1929  
Services@OrganicTraderCanada.com

### Label Orientation

---

Label face up on roll with left-hand edge coming off first, like shown here:

### Volume

---

Labels must be on a 3" cardboard core to maximum 500 labels per core roll

### Double Labels

---

Double labels must be alternating back and front labels
